by Robert Ehrig (from vacation)

Hello all,

I trust that all of you are having great holidays.

Im not sure where I am at the moment, but I do know that I am on vacation.

I thought I would send out a reminder of some of the items that we have and a few overall shots to keep the brain stimulated thru this joyful time.

If you decide to come in, please ask for Lee and let him know that I sent you.

We should have gotten a DCS load in the last couple days. We may still have a few Viking pieces left as well.

I will be back after the new year.

Thanks for accepting my newsletters and Happy new years to you and your family.
