

Weekly Newsletter
Appliance Outlet
1-17-15
by Robert Ehrig

This week has been very quiet as far a shipments go.

We are however doing our year end (begining) Clearance event.

I have red marked several, well more then several, LOTS of great product that has overstayed its welcome here at the appliance outlet.

If you need something or know anybody who's looking for that spectacular deal send them our way, cause they won't get any less expensive then this.

Hurry in though, cause they wont last.

Thanks for accepting my newsletter,

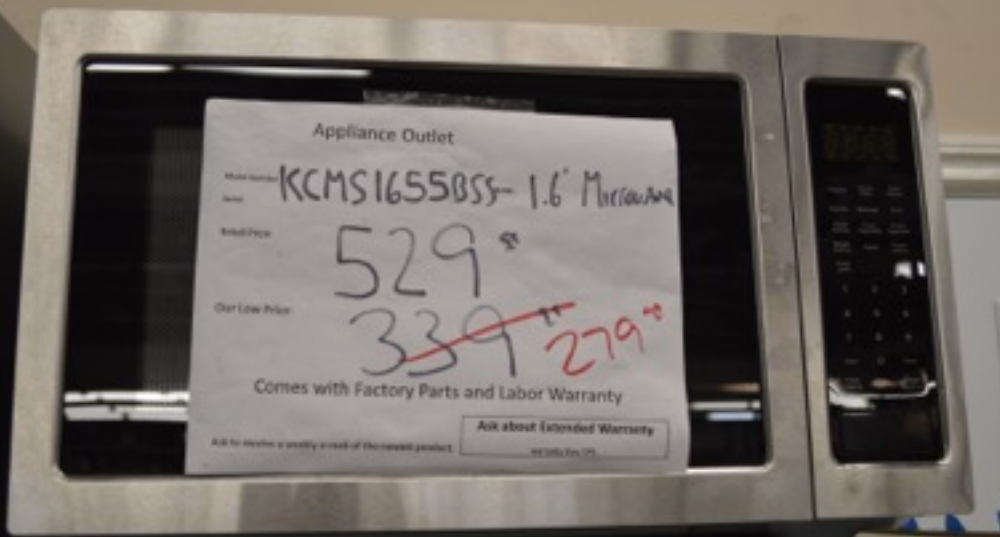

Robert Ehrig

We have lots of great deals right now.

I do not think that they will last long at these prices.

The DCS deal and the Wall Oven deal are only good
until the next newsletter come out.

or 1-20-15

whichever comes first.

Everything else is priced as marked.

Quantities are limited, so please do not delay for this one.

Thanks again,

Robert Ehrig
