

Weekly Newsletter  
Appliance Outlet  
3-7-15  
by Robert Ehrig

This week we got some more Blue Star ranges in.  
1 36" and a couple 48" units. Super nice.

We also got more DCS 48" BBQ's in and this 36" Fisher Paykel Range

I am also showing some of the many markdowns that we did this week.  
Some really great deals to be had here.

Most likely we will pick up Viking next week, but as of this newsletter I do not  
know what.

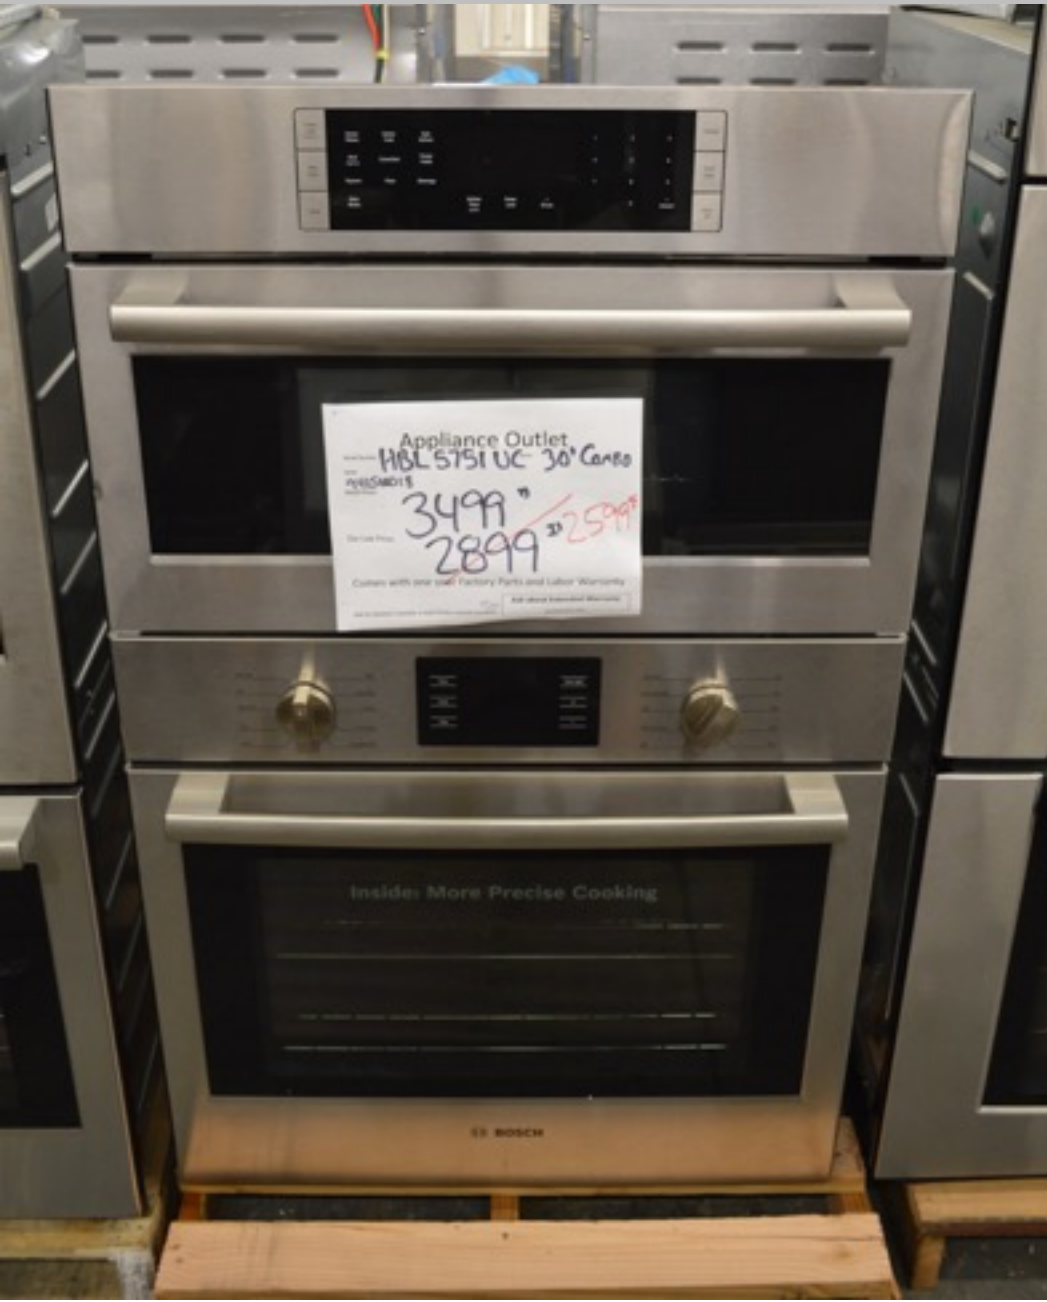

Welcome to the new subscribers and thanks to the faithful long timers.

Till next week,

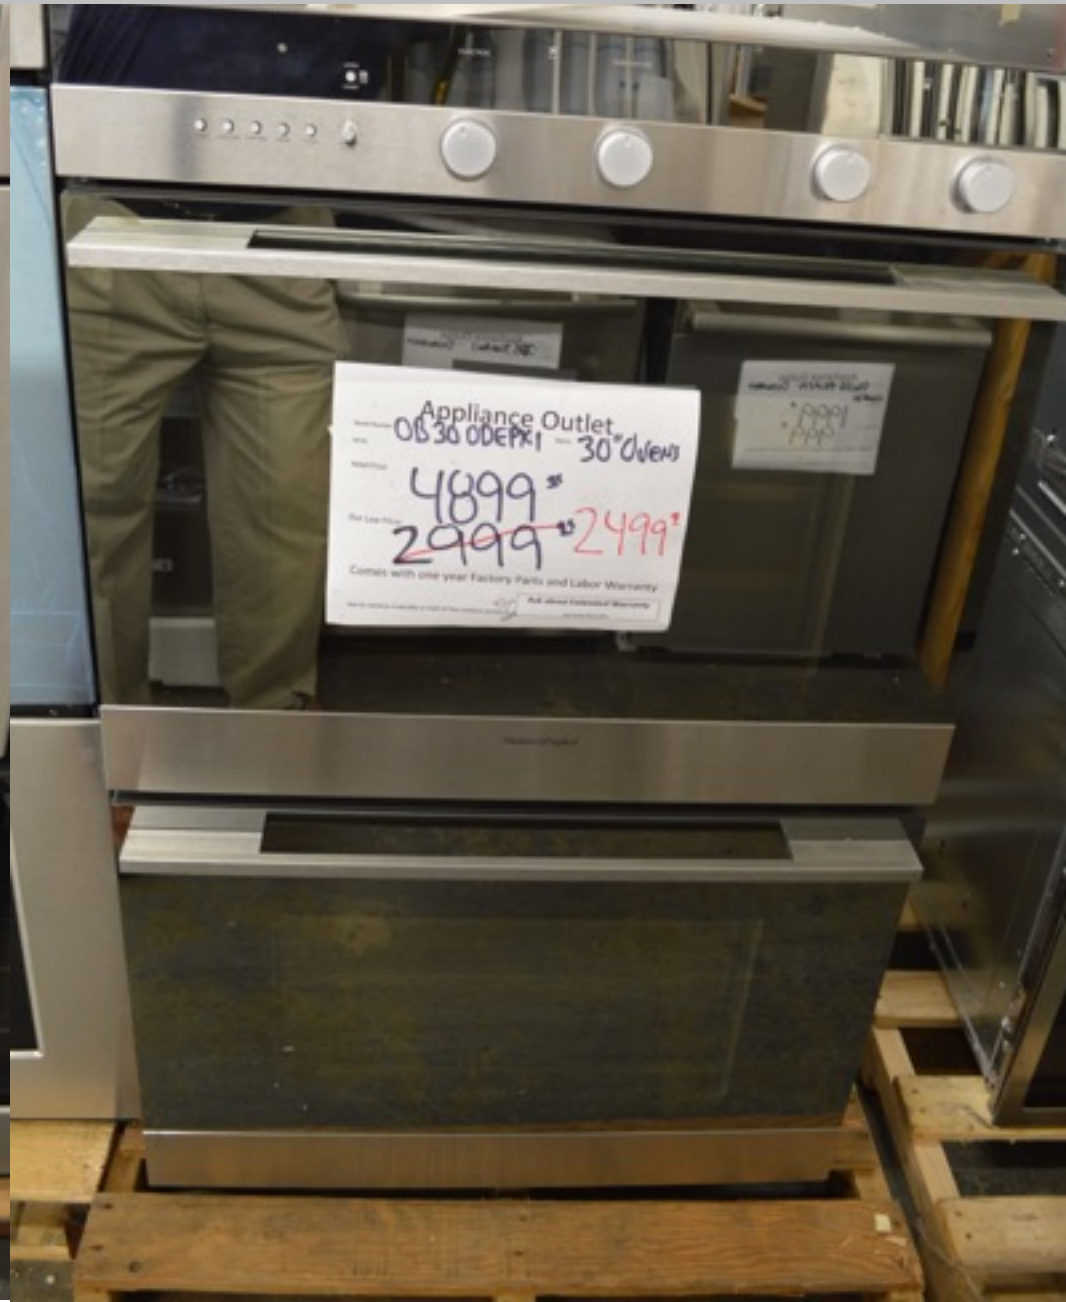

*Robert Ehrig*
