

Weekly Newsletter
Appliance Outlet
Second Edition
4-25-15
by Robert Ehrig

I know, I know.....another newsletter.
but we got a small load of GE and a small load of DCS
and I wanted you to see it.

we should be getting the balance of the Thermador product on Monday and a
Load of Viking on Tuesday.

If I have the Viking list by the time I finish this newsletter, I will put the model
numbers at the end.

Thanks again for accepting my newsletters,

Robert Ehrig
