This week we got our regular Viking shipment of the gently preowned product that has been factory refurbished. Some GREAT items too. Must hurry though, cause the item you want, will go fast.

We are also getting those showroom units tomorrow, so we will be loaded with ranges by Viking

I marked down some specific items too, those are at the end. Thermador 48" ranges discounted an additional \$ 1000.00 Don't miss out on this.

We also got a 48" DCS gas range and 36" BBQ

Thanks for accepting my newsletters,
