by Robert Ehrig

This week we got more Blue Star ranges in.

I have decided to give you an big sampling of what is in our warehouse right now.

We also got a load from showroom of all different brands last week that never made it to the newsletter

I am including most of those here too.

We have a lot of appliances besides these, so don't hesitate to email back for specifics or come in to check them all out.

Thanks for accepting my newsletters,

Robert Ehrig
