We got a nice shot of Viking, half of which has sold already.

These are the pieces I have left as of the printing of the newsletter.

We should pick up another load soon too.

We still have a good selection of BBQ's
Both on carts and for built in application.

We also have a lot of rat e small Fisher Paykel fridges in stock.
these are the 31" wide and 66" tall ones that are counter depth.
they make great secondary fridges starting at \$ 799.99
