

Weekly Newsletter for Appliance Outlet
2-27-16
by Robert Ehrig

Hello All,

This week we got a small load of Viking only.

We may see a DCS / Fisher Paykel load by the end of the week as well.

We are still doing the \$500.00 off the refurbished BBQ's on carts, so if you haven't taken advantage of that, you need too.

I also did some markdowns on the overly damaged Fisher Paykel, so if you need a great garage or man cave fridge, this is your time.

We still have a lot of the panel ready Viking fridges that are brand new with mfg warranty.

If you want to know anything or have any inquiries, please email me.

Thanks for accepting my weekly newsletters.
