

# Weekly Newsletter for Appliance Outlet

9-3-16

By Robert Ehrig

Hello everybody,

This week we got a random shipment from a showroom that is changing out displays. Several Fridges, dishwashers and cooktops.

We still have a couple of the La Cornues from last week.

We are also loaded on cooktops in most sizes right now.

The last Purcel Murray load left us a bunch of dishwashers too.

Please feel free to email me back to get pictures of what your looking for.

And pass me along to your friends and neighbors (the ones you like).

Thanks for accepting my newsletters,

*Robert Ehrig*
