

Weekly Newsletter for the Appliance Outlet

By Robert Ehrig

Week ending 10-8-16

This week we got a nice load of Thermador, Bosch and La Cornue. The product looks really nice, so don't delay getting over here or emailing me to get more information about the item you have been waiting for. I haven't seen everything in detail but I will be happy to look for you.

We also got a nice shipment of Fisher Paykel and DCS.

Fingers crossed, for Kitchenaid next week.

Thanks for accepting my newsletter,

Robert Ehrig
