Weekly Newsletter  
For 11-5-16  
By Robert Ehrig

So, next week we will get a GE Load that will have a lot of great items.

I will list some of them at the end of the newsletter

I also thought I would highlight some items in the store currently ,  
in case that anyone might have missed them.

**Don't forget to get out there and VOTE.**

Thanks for accepting my newsletters,
