Presidents Day Edition
2-20-17
By Robert Ehrig

I hope you don't mind, but since Presidents Day is coming and the rain,
I thought I would break out the red marker and make some deals,
even though the boss was trying to take it out of my hands the whole time.

I still had my way with a ton of items in the showroom.

Lots of things I couldn't fit in this newsletter and ...

... Just in time for Presidents Day!

A Lot of these are one of a kinds, so don't miss out.

Thanks for accepting my newsletters,

Robert Ehrig
