By Robert Ehrig

So with two newsletters last week and nothing new this week,

I thought I would keep this one short.

I wanted to introduce you to American Range.

This local company still does half their business in commercial and

the other half in the residential lines.

They are a cooking company only.

Here are a few of their ranges, and a few other pieces that we have.

Thanks for accepting my newsletters,

Robert Ehrig

48" American Range in all gas with 6 burners (3...25k, 2...15k and a simmer)

On board griddle and convection oven.

Normally selling for \$8999.99 this ARROB648GD is \$ 6999.99

And then we have this 48" version that has 4...25k burners, 3...15K and a simmer.

Again with the big oven being convection and both with lights inside.

Normally selling for \$ 8599.99 we sell ARROB848 for \$ 6599.99

And then we have this 36" all gas American range with 3...25k burners on it.

Super big convection oven with broiler on top shelf.

Normally this ARROB636 sell for \$ 4599.99, but not with us. Try \$ 3499.99

And for the smaller kitchens that still want a GREAT range. We have this 30" Gas Range
Boasting 2...25k burners, a 15k and a simmer burners, still with convection oven.
With a lock down price of 3499.99 you can pick one up here for a mere \$ 2999.99

We still have most of the Blue Star ranges in 36" and 48"

These super affordable professional style range, but cooking in your hands.
