By Robert Ehrig

Hello,

This week we got a nice shipment of Lynx accessories and such.

A couple small BBQ's and one BIG one.

But if your building and even if we don't have the right size Grill, come in to get all the accessories, cause we don't get them from Lynx very often.

We also got a small load from GE that was nice.

We are also getting some 48" American Range units on Monday.

Thanks for accepting my newsletters.
