

Weekly Newsletter

Appliance Outlet

5-13-17

By Robert Ehrig

At the time of creating this newsletter, we hadn't gotten any shipments,
But we are due several shipments. Detail of which I know very little.
I am going to show some items, that have marked down and some nice items.

Next weeks newsletter promises to be huge.

But, to get in on the action early, feel free to email me on Thursday.

At that point, I should know a lot more then I do currently.

Thanks for accepting my newsletters,

Robert Ehrig

We dropped the price on this super nice American Range ARROB648GD to only

Here is what Brands we are expecting to get in the next 10 days or so:

Viking is sending another truck mid week, next week.

GE is sending a small truck with Profile and monogram product on it.

42" fridges, microwaves, counter depth fridges and range tops.

We are adding Beko appliances to our assortment.

A nice, mid price point, all stainless line

from one of the largest companies in Europe.

These will all be nice additions to our already nice assortment of products.
