

Weekly or should I say bi Weekly Newsletter

For the Appliance Outlet

By Robert Ehrig

5-22-17

This week I will be putting out two newsletters, I think.

This one is early due to the fact that we got all this great Viking product last week and

I wasn't able to show it all off.

This week we are scheduled to get Lynx product.

I will send another letter out if we get more than that.

Otherwise, if you want Lynx we should have it Wed.

I do know now what we are getting so if you want to put your name on something.

Thanks for accepting my newsletters,

Robert Ehrig
