So Tomorrow we are getting a Thermador shipment.

Some of these will be brand new, just discontinued.

The rest is our normal type of delivery, usually very nice.

Several of the La Cornue ranges in 43" and 36".

I will mention all of the highlights later in the email so read all the way thru.

We also got Beko again today. Ranges, dishwashers and fridges.

We also have these Viking ranges in stock. With more coming next week.

Mostly dual fuel (Electric Ovens with a Gas top)
