Appliance Outlet

10-26-19

By Robert Ehrig

This week we need to concentrate on making room.

I have used the red marker to additionally discount several items.

With that said, we are offering an additional **5% off** ALL red tagged items in the store.

Hurry in, while the pickens are good.

Miele sending another load Monday or so.

And look towards the end of this for a special load coming Friday.

Thanks for accepting my weekly newsletters,

Robert Ehrig
