Appliance Outlet

2-24-24

By Robert Ehrig

I hope everybody is staying dry and unfrozen. Based on location. Miele , Fisher Paykel and Thor all dropped off appliances this week.

And we are sitting on some great product still.

Viking has two more loads for us. Bringing these brands:

Aga, Marvel, Lynx, Scotsman, LA Cornue and Viking.

All coming next week. Let me know if your looking for something.

Thanks for accepting my weekly newsletters,

Now imagine that you had to pay these prices.

Taking out a small loan to outfit your kitchen

After spending all that money to building and safety for plans

Then the cabinets and the flooring and counter tops.

With all that said...

Wouldn't you like to SAVE some money on the appliances.

That's where we come in. Putting some high quality appliances

into your newly redone kitchen.

That way you can enjoy the finished product.

We sell at 20 to 40% off these retail prices every day.
