

Weekly Newsletter

Appliance Outlet

4-19-25

By Robert Ehrig

We are getting Viking and Monogram this week.

But by the time this newsletter had to go out, neither are here yet

We still have a lot of great product, but most if it, you've seen.

So for this issue only, I'm going to just show overview shots.

Viking Thursday. Monogram ???

Thanks for hanging in there with me,

Robert Ehrig

⚠ WARNING ⚠ AVERTISSEMENT

This appliance can tip over causing serious injuries or death.

Read and understand the installation instructions before installing the appliance.

Do not remove the appliance from the pallet until it is ready to be installed.

Keep the doors and drawers closed until the appliance is completely installed.

Use two or more people to move and install the appliance to its permanent location once it is unsecured and removed from the pallet.

The ANTI-TIP brackets **MUST** be installed according to the installation instructions.

NOTICE

To prevent condensation on the appliance housing due to lack of air circulation, do not remove the spacers from the appliance back and sides, unless it is instructed in the installation instructions.

Call a qualified technician to install the appliance. The spacers are to be used.

Use the correct tools and techniques to install the appliance. Do not use excessive force.

Do not touch the interior of the appliance. The interior is not designed to be touched.
