Appliance Outlet

2-21-26

By Robert Ehrig

This week we are expecting some random pieces that we bought from a closing store.

All are in great condition. Prices are great too.

Pictures didn't make the newsletter,

So, I'm just giving model numbers and descriptions and pricing.

They should all be here tomorrow.

So, reply to get pictures if you want to see the actual items

Thanks again for accepting my newsletters,

Robert Ehrig
